SHORT-NOTICE QUESTIONS AND ANSWERS.

DISMISSAL OF MR. CHANDRASEN PRASAD TULSIYANI.

97. Shri SHANKER NATH : Will the Hon'ble the Labour Minister be pleased to state—

(a) whether it is a fact that Mr. Chandrasen Prasad Tulsiyani, compounder, Marhowrah Sugar Factory, was dismissed in January, 1951, during pendency of adjudication proceedings without permission in writing of the Industrial Appellate Tribunal ;

(b) the reason why the management has done this in contravention of section 22 of the Industrial Disputes Appellate Tribunal Act ;

(c) whether it is a fact that the General Secretary of the Marhowrah Factories Labour Union brought the matter to the notice of Government but no action has been taken against the management ;

(d) whether it is a fact that the said General Secretary of the Union has intimated to Government of his intention to resort to hunger strike as protest on this issue from the 14th of May, 1951 ;

(e) what are the reasons for not taking action against the management so as to avert serious industrial unrest ?

The Hon'ble Dr. ANUGRAH NARAYAN SINHA : (a) Mr. Tulsyani was not dismissed, but as he failed to report for duty on the expiry of his leave, and as he over-stayed the leave without permission of the management, the management presumed that he had left their service without notice, and, therefore, they engaged another compounder in his place. No formal order of dismissal or discharge was passed, though the compounder was not permitted to join his duties. The proceedings before the Appellate Tribunal were pending when Shri Tulsyani offered for resuming the duties, and he was refused permission.

(b) The question of prosecuting the management for this action which may be in contravention of section 22 of the Industrial Disputes Appellate Tribunal Act, 1950, is under the active consideration of Government.

(c) The General Secretary of the Marhowrah Factory's Labour Union brought this matter to the notice of Government. The Assistant Labour Commissioner, the District Magistrate and the Deputy Labour Commissioner looked into the matter carefully at Marhowrah in the presence of the parties, and gave necessary directions. The matter was also brought to the notice of the Hon'ble Minister for Labour and the Labour Commissioner is now looking into the matter personally.

(d) The General Secretary of the Union sent to Government a copy of his letter to the General Manager of the Kanpur Sugar Works, Ltd., Marhowrah in which he had intimated the Manager of his intention to resort to hunger strike if Shri Tulsyani was not re-instated by the 12th May, 1951.

(e) The advice of the District Magistrate and the Conciliation Officers to the Labour Union was that Shri Tulsyani should file an application to the Manager of the factory expressing his regret for over-staying the leave without permission, and asking permission to resume duties. Shri Tulsyani, however, did not file the application as advised by the officers, and he pleaded ignorance of the advice. He actually threatened the Manager that he would go to court if his case was not reconsidered. Thereupon the Manager withdrew the offer made to him. Later, however, Shri Tulsyani filed an application, as directed, on the 11th April 1951; but the Manager did not agree to entertain this belated application. The Labour Commissioner has, however, taken up the matter personally with the management, and the management have been advised to re-instate Shri Tulsyani forthwith.
