Shri BIR CHANDRA PATEL : (*a*) To encourage the maximisation of sugar all over India a certain formula was laid down by the India Government according to which all sugar beyond the prescribed quantity of sugar was allowed for free sale by the sugar factories coming within the prescribed formula. This free market sugar is released by the India Government and the State Government has nothing to do with it. So far as the information of the State Government goes, free market sugar is reported to be selling in this State at the rate ranging between Rs. 60 to Rs. 65 per maund although some of the factories have quoted much lower rates of sales.

(*b*) The answer is in the affirmative.

(*c*) The State Government have no information on this matter.

(*d*) Only the answer to clause (*b*) is in the affirmative and there has been no occasion for the State Government to write to India Government in this connection. The State Government are not aware if there is any discontent among the cane-growers on this score and if the production of cane is going to be affected by it.

श्री अर्जुन प्रसाद मिश्र—कंट्रोल रेट से अधिक में यदि चीनी बेची जाती है तो क्या यह ब्लैक मार्केटिंग नहीं है?

माननीय श्री रामचरित्र सिंह—उसको ब्लैक मार्केटिंग नहीं कहा जाता है—फ्री मार्केटिंग कहा जाता है।

श्री झूलन प्रसाद सिंह—क्या सरकार बतायेगी कि यह बात सही है कि जब ऊख का दाम तय हुआ था तो उस समय चीनी का दाम ६०-६५ रुपया से बहुत कम करके रखा गया था।

श्री वीरचन्द्र पटेल—उत्तर स्वीकारात्मक है।

श्री झूलन प्रसाद सिंह—क्या सरकार बतलायेगी कि उस समय ऊख का दाम १।।) फी मन तय किया गया था तो अब उनको ज्यादा मिलना चाहिए?

श्री वीरचन्द्र पटेल—यह इस असेम्बली में सवाल नहीं पूछा जा सकता है। यह एनटायर्ली गवर्नमेंट ऑफ इंडिया का सबजेक्ट है।

DECREASE IN THE MILK PRODUCTION IN GOVERNMENT DAIRY FARM.

†*150. **Shri NAND KISHORE NARAYAN LAL** : Will the Hon'ble Minister in charge of the Development Department be pleased to state—

(*a*) whether it is a fact that in Veterinary College, the Assistant Farm Manager, a senior officer, has not been allotted a set of quarters whereas the junior Assistant Farm Surgeon has been given ;

(*b*) whether it is a fact that the Assistant Farm Manager, who was living in an out room, has been suspended for his delay in vacating the room to accommodate his junior ;

---

†In the absence of the questioner the answer was given at the request of Shri Arjun Prasad Mishra.

(*c*) whether it is a fact that the production of daily milk has decreased and it is decreasing day by day due to his absence under suspension ;

(*d*) if the answers to clauses (*a*) to (*c*) be in the affirmative what action Government propose to take, if not, why ?

Shri BIRCHANDRA PATEL : (*a*) The Assistant Farm Manager's post is a temporary one. As there is a shortage of quarters no quarters could be allotted to him.

(*b*) The reply is in the affirmative.

(*c*) The reply is in the negative. There is no relation between the suspension of the Assistant Farm Manager with the amount of the milk that the cows give.

(*d*) The question does not arise.

DIFFICULTIES OF STUDENTS IN BIHAR VETERINARY COLLEGE.

***151. Shri KAMLESHWARI PRASAD YADAV** : Will the Hon'ble Minister, Development Department, be pleased to state—

(*a*) whether it is a fact that the lectures in the Bihar Veterinary College are mostly comprised of dictation by the Professors and lecturers from the note-books to the students at a very high speed, which the students are unable to follow ;

(*b*) if the answer to clause (*a*) be in the affirmative, whether Government are aware of the fact that the students have to take down lectures in the College and have to write it down again at their residences in fair note books and this habit continues throughout the year with the result that they hardly get time for studies ;

(*c*) whether Government are aware of the fact that due to the above reasons the percentage of failure is high in all the classes of the Veterinary College ;

(*d*) in view of the above, whether Government propose to direct the professors of the Bihar Veterinary College to realise the difficulties of the students and dictate the lectures at a lower speed which may be within the reach of the students ?

Shri BIRCHANDRA PATEL : (*a*) In some subjects no notes are dictated whereas in others notes are dictated in the interest of the students and simultaneously explained by the teachers. In no case the dictation is at such a speed that students cannot take the dictation down. The system of dictation is in vogue in all other technical colleges in India and abroad.

(*b*) The answer is in the negative.

(*c*) The answer is in the negative.
